REPORT OF THE CHAIR

Chair Cooper referred to the Robert Holland Faculty Senate Chair’s Report as distributed.

Chair Cooper commented on the situation pertaining to Round-Abouts. The decision has been made to have no round-abouts anywhere on campus.

Chair Cooper also mentioned the IHL meeting to be held on campus next week particularly noting the Academic and Student Affairs Committee which will meet on Wednesday afternoon at 3:30pm in Room 30 of the Engineering Research Center. One of the topics for discussion will be post tenure review. This will be an open public meeting.

DAN EMBREE, POST TENURE REVIEW COMMITTEE

The Committee has met once and seems to be of one mind and is assuming that they will produce a benign policy which will not affect tenure. The Committee suspects that the Board’s motivation for this post tenure review process is that universities are hiding their dead wood. This process cannot be stopped but the Committee hopes to ensure that post-tenure review is aimed at development rather than termination.

Chair Cooper added one last comment pertaining to the post tenure review. All of the faculty senate representatives from the other universities felt that whatever policies were to be developed would be remedial and not punitive in nature.

REPORT OF THE VICE CHAIR

Vice Chair D’Abramo distributed his report to the Senators just prior to the start of the meeting and referred to it as distributed.
